

## Rose Loeffler - 1960's

George Joseph Loeffler wrote in **1973**:

**ROSE LOEFFLER** (second child of that name in this family) married Albert Eble. Rose died in the early 1960's. She had been a widow for many years, as Albert died in the 1920's or earlier. I have checked telephone books and written several letters (1968 - 1973) in an effort to contact Weber or Eble cousins, but with no success.
