

Hugo Bernhard Magnusson 1908 - 1986

I don't know much about Hugo and his wife Astrid, but I did take a few pictures of them with their grandchildren, Anna and Erika, with my digital camera when I visited Reidar and Marie-Louise on June 15, 2000.

I do wonder about the name Hugo. Hugo Bernhard was born nine years after his cousin Hugo (my father), so I'm wondering if he was named after him. And I have no idea why my Dad was named Hugo. A small thing, but a curious thing.
